

Dear Parents/Guardians,

This summer, we will be utilizing Book Adventure as our Summer Reading Program. Similar to Accelerated Reader; Book Adventure is a web-based reading motivational program that encourages children to read great books, and take quizzes. Book Adventure not only rewards children for reading, but also enables parents and teachers to track a child's progress and help develop his/her love of reading.

Students are encouraged to read and take quizzes all summer from any device that has internet access! Students who read and take quizzes on at least 5 books, with a passing score of 90% or higher on each quiz, will receive a participation prize. Also, the top 3 readers per grade level will be recognized by Dr. Libidinsky. Our school will **NOT** participate in the prizes awarded through Book Adventure. We will be rewarding our students at the beginning of the 2013-2014 school year for their accomplishments.

Your child's username and password is the same as their school AR login; unless selected students were told otherwise due to limited characters allowed. For example (AR login);

Username: LCastillo0819 (Birth month & day)

Password: LCas12345 (lunch number)

Book Adventure login **IS** case sensitive, therefore, **PLEASE** capitalize the first 2 letters in the username **AND** password.

If your child forgot their login information and needs to reset their password:

1. Select the "Forgot Password" option
2. Enter their username
3. It may ask "Who is my teacher?" Answer will be their 2012-2013 homeroom teacher
4. It may ask "Teacher's last name"
 - a. Enter: **Castillo** (the program is registered under Mrs. Castillo as the teacher)
 - b. Class Name: **is your child's 2012-2013 classroom teacher** (the students are listed under their 2012-2013 classroom teacher's name)
5. Please remember that the login information **IS** case sensitive
